

AGR Consultancy Services

INTRODUCTION

AGR Consultancy Services is a global provider of recruitment and consultancy solutions to the upstream oil and gas industry. We have offices in Aberdeen, Stavanger, Dubai and Perth with associated offices in numerous locations worldwide.

Our Clients have access to a wide range of services:

- Consultancy
- Permanent Staff
- Management Search
- Global Database

We work very closely with AGR Well Management which provides us with in-house knowledge and expertise. This, coupled with our bespoke database, which is continually updated and provides a global platform enabling detailed, comprehensive search and interrogation of candidate skills and attributes, facilitates the rapid and expert matching of candidates with client requirements.

AGR Consultancy Services provides permanent and contract personnel to the international oil and gas industry with expertise in the following disciplines:

- Drilling Managers
- Drilling Superintendents
- Drilling Engineers
- Drilling Supervisors
- Completion Engineers
